

Villa Machiavelli

Florence - Tuscany

Villa Machiavelli is a one-of-a-kind experience nestled in the legendary winemaking “Chianti Classico” region, just outside of Florence. The 15th-century main villa and its original frescoes have been restored to their former magnificence, combined with opulent, extravagant new interior décor. Once the home of the Machiavelli family and centuries later, the Mazzei family, this villa boasts a rare heritage. For large parties or special events, the property offers as well the equally spectacular “Vineyard Villa,” adjacent to Machiavelli’s entrance gates. The Vineyard Villa offers 19 additional suites.
